STEP - BY - STEP GUIDE

For any support please Call +91 11 6651 7800

STEP - 1 : CONSULT OUR GENETIC EXPERTS

CALL +91 11 6651 7800 OR EMAIL US AT INFO.INDIA@igenomix.com

❖ To get more information about your ERA TEST.

STEP - 2 : CONNECT US WITH YOUR IVF SPECIALIST

❖ ERA test is a part of your IVF cycle and is conducted before the transfer of embryos to determine your correct Window of Implantation (WOI).
❖ Connect us to your IVF specialist to proceed with the test.
❖ The PRICES of the ERA TEST and the KIT CAN BE SHARED ONLY WITH THE IVF SPECIALIST.
❖ Your specialist will order the kit on your behalf, since only medical practitioners are allowed to take samples.

STEP - 3 : SAMPLE COLLECTION

Your specialist will draw the sample in the ERA test kit and will ship the KIT back to IGENOMIX with your signed consent form for screening.

STEP - 4 : ERA GENETIC REPORTS

YOUR IVF SPECIALIST will receive the REPORTS in 15 WORKING DAYS from IGENOMIX.

STEP - 5: IDENTIFY YOUR RISK

Discuss the reports with your IVF specialist and then plan your IVF transfer accordingly.
